

Hidden Falls Near Oconee State Park, SC

Hidden Falls in Oconee County SC is accessible via a 1 mile trail.

Directions to Trailhead: Drive north 0.5 miles on SC 107 from Oconee State Park. Bear right onto a gravel road. In 1 mile at gate bear right onto a second gravel road and park in cleared area.

Trail Summary: Follow the roadbed of the second road. After 100 feet, the Foothills Trail crosses. Continue straight on the old roadbed. After approximately 0.1 mile the trail forks to the left away from the roadbed and descends. The trail continues to gradually descend through the woods. After a short distance the trail passes through a small valley near a small creek to the right of the trail. The trail descends further along the western and then northern crest of a small ridge. Eventually the trail bears back to the east and into an open cove to reveal the falls. Return along the same path. Use care around the falls - There was a fatality due to a fall here in Spring of 2009. For a more challenging hike, you can hike this trail using the Foothills Trail parking area at Oconee State Park. This adds 2 miles for a total round trip distance of approximately 4 miles.
