

Walhalla Fish Hatchery, SC

See the variety of **South Carolina's Sumter National Forest** including a wooded ridgeline, the Walhalla Fish Hatchery, waterfalls and the Chattooga Wild and Scenic River.

Directions to Trail-Head: From Walhalla SC drive north 8 miles on SC 28 and bear right onto SC 107 for 10 more miles. Bear left onto Burrells Ford Road (gravel) and follow the gravel road approximately 2 miles and park on the left in the gravel parking area.

Trail Summary: The trail begins on the opposite side of the gravel road from the parking area and ascends immediately. At 0.5 miles bear right at trail junction. The trail ascends Medlin Mountain with good winter views. At 3.9 miles bear left on the paved Fish Hatchery Road, which descends. At 5.7 miles Walhalla Fish Hatchery on left. Walk through parking lot where pavement ends. Stay to the left through maze of trails in picnic area and cross in front of the large picnic shelter continuing toward the left. A short distance after the shelter the trail crosses on a footbridge the East Fork of the Chattooga River. The trail passes several cascades and descends. Eventually the trail passes a large scoured out rock wall. At 8.2 miles intersection with the Chattooga Trail. Bear left and cross the bridge. The trail remains fairly level. At 9.5 miles a short dead-end trail leads to the left up to Spoon Auger Falls. At 9.7 miles bear left onto Burrells Ford Road (gravel) and at 10.1 arrive at trail head parking lot.
